**Confirmation participation Accreditation Programme
Biodynamic Federation Demeter International**

I hereby confirm, that the Centre for Organic Agriculture Egypt (COAE) successfully participates in BFDI's accreditation programme on behalf of the Egyptian Biodynamic Association (EBDA) and is eligible for this reason to audit and certify clients from processing, production and trade according to the International Demeter Biodynamic Standard for the international trade of goods and raw material.

All the best,

Sebastian Fuchs

Coordinator Standards Committee and Accreditation Council
